

GOALS AND

A Hub for the LGBTQ community will help build a broader, more inclusive Cleveland. The hub will foster and encourage philanthropy, entrepreneurship, culture, and entertainment.

The Greater Cleveland area lacks critical services for the LGBTQ community. LGBTQ+ people need health services, mental health services, financial counseling, legal services, and more.

The art of drag is an intersection between fashion, art, music, and the LGBTQ+ community. We'll promote drag by providing a safe space for creative expression and entertainment.

The Greater Cleveland area and the LGBTQ community will gain visibility if we act as an incubator for development of new business, housing, and services. We should use a package of grants and services plan to help the LGBTQ community grow and thrive.
